Welcome

BBO Awards

SABF had donated R15,000 to the GBU to award those involved in setting up the virtual clubs. It was decided to award Rob Stephens R10,000 and Sid Ismail R5,000.

BBO handouts

It was agreed that the GB U would financially support clubs who had on-going expenses and were in need of help, and also individuals who were dependent on income from bridge related activities to make a living. Should individuals approach claiming to fall into this category then they must be prepared to disclose detailed financial statements for review by the committee. The GBU would not use its funds as a means of offering compensation to those clubs that are now closed.

Non Affiliated Clubs

James suggested we contact our local nonaffiliated clubs and invite them to join in our tournaments. Deirdre would contact Dainfern whilst James would ring Krugersdorp.

Interprovincials

Teams would be invited to enter our Medwin/Berkovitch tournament which we would play online the first weekend of July.

Berwick

The SABF had invited the GBU to put forward a team to represent Johannesburg in an upcoming match against a Scottish club in Berwick. Jackie was nominated to find a team.

General

Nothing was raised under general.

The meeting was then closed
