- b. Orchards website – The GBU is not willing to advertise Lorna Speller's Real Bridge Events on the GBU website. Orchards is linked on the Gbu website, in the same way as it is on the Orchards website.. The RealBridge club is not affiliated. Problem with Realbridge is that it is difficult to load masterpoints and Lorna seems to be unable to do this in spite of being offered help. James Grant expressed extreme displeasure with this decision but Bernard and Sheila were adamant that GBU and SABF will not advertise clubs that are not affiliated.
- c. Wednesday afternoon club – GBU does not confirm that Wednesday afternoon club can use GBU boards for her club. The new board will decide whether to allow her to use the boards. **Action: New Board members**
