

The Friendship Club

This initiative has been put in place as a means of thanking those players who have contributed to our clubs over the years but are now feeling the financial burden onerous.

By assisting with club and affiliation fees we would like to encourage them to continue playing this wonderful game of bridge surrounded by friends and well-wishers.

To learn more please chat with your club manager.

Should you wish your donation to be used for a specific purpose, please write with details to

Lindsay MacNair
